Bachelor of Arts: Management: Business Administration
online.uni.edu/business-admin-online

Delivered entirely online

Designed for students with an AA degree, this program serves as a pathway to earn an undergraduate degree entirely online. UNI faculty will prepare you for a variety of organizational roles by providing exposure to core business knowledge, skills, and practices in the field to help you further advance your career. You will also be supported every step of the way with personalized support services tailored for online and distance students.

Program features

• High-quality, flexible undergraduate degree completion program designed for adult learners
• Builds a solid foundation for career advancement and professional growth
• Classes are taught by committed College of Business faculty with extensive experience working as business professionals, and who are content experts in their field
• Same high-quality curriculum as the on-campus program
• Courses designed using the Quality Matters set of standards based upon research and best practices for course design
• Opportunity to earn additional credentials, such as Project Management (CAPM) and Six Sigma certifications

According to a 2020 employment study conducted by the Bureau of Labor Statistics, employees with a bachelor’s degree earn 48% more than those with some or no college.

Delivery of the program is contingent on a sufficient number of students being accepted into the program. The University of Northern Iowa does not discriminate in employment or education. Visit uni.edu/policies/1301 for additional information.
Flexible delivery
Completed entirely online, the program sequence includes two, 8-week courses each semester. Courses are delivered through Blackboard, a dynamic platform that will enhance your learning experience and sense of community with fellow classmates.

Affordability
Financial aid
Financial aid may be available for students who qualify, based on number of units per semester and financial need.
