New cohort begins  
**January 2023**

## Why UNI?

This bold and innovative program utilizes a field-based approach that emphasizes skill development in a district setting. This program is taught by student-centered, award-winning faculty who connect theory to practice through hands-on experiences in a rigorous, dynamic, and supportive environment.

With networking opportunities that are second to none, students will benefit from UNI's unique partnerships with local organizations — like the Iowa Association of School Boards — where experiences build a framework of leadership that can't be beat.

This Advanced Studies Certificate program is designed for individuals seeking endorsement in the state of Iowa as a superintendent or AEA administrator. Applicants must at least be serving in their first year as an administrator in order to apply for the superintendency program.

## Program highlights

- / **Designed for Iowa administrators** – program requirements and outcomes based on the National Educational Leadership Preparation (NELP) standards
- / **Program completion in 2 years** – 33 units of graduate credit via 8 courses and extensive internship experiences
- / **Expand your possibilities!** By enrolling in this program, you may also be able to apply for UNI's Doctor of Education (EdD) program and have up to 15 units of credit apply to the doctoral degree.
