# MANAGING BUSINESS & ORGANIZATIONS

## Bachelor of Applied Science

University of Northern Iowa  
Online & Distance Education

### Flexible Delivery

Courses are offered entirely online through a combination of interactive video conferencing and Blackboard, dynamic platforms that will enhance your learning experience and build a sense of community with fellow classmates. You will enroll in two courses each semester and progress through the program with the same group of students.

Throughout the program, you'll learn from the same dedicated, expert faculty who teach on the UNI campus. Coursework covers a range of topics, including:

- / Accounting
- / Economics
- / Marketing
- / Finance
- / Information Systems
- / Business Communications
- / Entrepreneurship
- / Business Law
- / Managing People
- / Business Analysis

Visit [online.uni.edu/business-bas](https://online.uni.edu/business-bas) for detailed course information and a sequence of courses.

### Learning Objectives

Graduates of this program will:

- / Learn business knowledge and professional skills necessary to succeed in the management of a business or non-profit organization.
- / Gain a deeper understanding of the economic, legal and social environment in which businesses and organizations operate.
- / Develop critical thinking, quantitative analysis and written and oral communication skills for making sound decisions and achieving results.

### Tuition & Fees

Tuition & Fees for 2025-26*	
Undergraduate credit (per unit)	\$366
Technology fee (per course)	\$46
Records & Documents fee (Covers all transcripts and other fees. Charged at graduation.)	\$115

\*Tuition and fees may be adjusted by the Iowa Board of Regents.

### Grants & Scholarships

Grants and scholarships are available for qualified students with the submission of a FAFSA.

### Financial Aid

Financial aid may be available for students who qualify, based on number of units per semester and financial need. Questions may be directed to the UNI Office of Financial Aid & Scholarships.
