SUMMER 2023 WORKSHOPS FOR MUSIC EDUCATORS MUS ED 4133/5133

Audio Engineering for Educators Workshop

1 unit of credit / June 22-23, 2023, 9 a.m. - 4 p.m. / Online via Zoom or in-person on the UNI campus

Today's classrooms are equipped with technology to enhance learning and instruction. Audio equipment in the schools can come in many forms – from sound reinforcement gear to computerized digital audio recording. Learn the skills that audio engineers use for capturing the best performances from their students.

MICROPHONES

- / Different types of microphones
- / Which microphones to use and when
- / Getting the most out of the microphone you have

MIXING BOARDS

- / Introduction to mixing board functions
- / Capturing the best sound from many sources
- / Types of mixers: analog and digital

MICROPHONE TECHNIQUES

- / For live concerts
- / Classroom recording of groups and individuals
- / Vocalists and instrumentalists
- / Controlling feedback with microphone, speaker placement and equalization

Online students can take the class from the location (classroom, auditorium, church, etc.) where their audio equipment is located.

RockShop I - Modern Band Workshop

1 unit of credit / June 26-27, 2023, 9 a.m. - 4 p.m. / In-person on the UNI campus

All instruments will be provided.

Learn to play a variety of instruments and discover the tools and resources necessary to bring student-centered, culturally-responsive, and inclusive music education to students. This workshop is designed to teach the skills and curriculum needed to successfully incorporate a modern band into any grade level or classroom.

MODERN BAND is a new, school-based music program that utilizes popular music as its central repertoire.

Styles that are studied include:

- / Rock
- / Rhythm & Blues
- / Pop
- / Electronic Production
- / Reggae
- / Other contemporary styles
- / Hip-Hop

TEACHERS LEARN:

- / Guitar
- / Bass
- / Ukulele
- / Keyboard
- / Drum Set
- / Electronic Musical Instruments

LEARN THE PEDAGOGY

- / Modern Band pedagogy utilizes the Music as Second Language approach to teaching music.

BE IN THE BAND

- / In RockShop!, learn to teach modern band by forming a band, selecting your own music and putting on a concert with fellow teachers.

NEW: RockShop II - Reunion Tour!

1 unit of credit / June 28, 2023, 9 a.m. - 4 p.m. / In-person on the UNI campus

All instruments will be provided.

They're back! RockShop II - The Reunion Tour is for those who have taken RockShop I and want to further their skills and knowledge in modern band pedagogy. Students will review and learn next-level techniques on guitar, bass, keyboard, drum set and vocals. This workshop also covers basic audio for rehearsals and stages in order to teach students how to set up their own microphones, mixers and speakers.
